ABOUT

# Magazica

Magazica is a dynamic platform connecting businesses, experts, and health advocates to share cutting-edge insights and advancements in the health industry.

Focused on enhancing wellness, we provide a space for showcasing innovations that shape the future of healthcare.

With a strong presence in North America, particularly Canada, Magazica hosts global experts to share valuable knowledge with the Canadian community. Our structured approach supports health-focused businesses in their mission to improve lives.

Interviews will be published on the Official website and Youtube Channel

All published articles and interviews will be featured on Magazica's social media platforms, amplifying your reach and engagement with a broader audience.

# Advertisement Specifications

## Magazica

### Guidelines:

Ensure all crop marks and printer marks are placed outside the bleed area.

Avoid using rich black (4 color black) for body text to ensure legibility.

If your ad requires modifications, please submit it as a packaged InDesign file with all fonts and images included.

Any additional design services, such as photo editing, retouching, or layout adjustments, will incur production charges.

Final proofing is the responsibility of the advertiser. Please double-check your files before submission.

### Accepted File Formats

To maintain high quality, we accept the following file types:

- PDF (PDF/X-1a preferred) with bleed and trim marks.
- TIFF or EPS files from Photoshop with embedded fonts.
- AI or EPS files from Illustrator with text converted to outlines.
